My Dear Friend

Wm Lloyd Garrison

We received thy very kind
message by Dr Frank Taylor
a short time ago, for which
we thank thee— I hope thy
health is improving and that
neither thyself or wife has
suffered from the extreme
hot weather we had a few weeks
ago— I wish you were both
able to visit us this fall—
particularly as the fiftieth
Anniversary of our wedding
day is approaching we
would be so glad to have
you with us— we expect

to have a few of our old friends
with us on the 11th of next month
September - we thought thee
might be at thy sons this
fall, and could make it con-
venient to come to us at

that time - we expect some
of the old tried and earnest
friends of the Slave with us -
if Lucretia Mott is able we hope
to see her and Mary Green ^{Sarah Pugh} and
and several others who will
be glad to meet thee once more -
it will be very gratifying
if thee, or you, could make
us a visit at that time - as
the fiftieth wedding day comes
but once in a life time -
Please write and let us know
whether we may expect you -
our friends will take the train

leaving the city on the morning
of the Eleventh of 9th month that
will find carriages waiting
at Rose dale Station. —

Hoping to see you at the afore-
said time, we say farewell with much
love to thy wife in which the
family join — I remain

thy affectionate friend
Hannah Cox

PS we have written to our friend
J. G. Whittier — if it suits him
to visit his friends in Philadelphia
to come on to us on the 11th of 9th mo
Perhaps you can come together.
